10. [] Talked to Mr. Jay Sourwine, Chief Counsel, Senate Internal Security Subcommittee, as a followup to his earlier conversations with [] and advised that the Agency would have no objections to his advising the Attorney General of contacts with the Agency on the [] case. I noted again that contact by the Subcommittee with the Attorney General would in all probability result in a routine request from the Department of Justice to the Agency for information on []. Mr. Sourwine thanked me for our advice and reiterated that he just wanted to be sure he would not be breaching any confidences in the process of referring the matter of [] entry into the United States to the Attorney General.

11. [] Talked to Miss Lois G. Myers, on the staff of the Position Classification Subcommittee of the House Post Office and Civil Service Committee, who advised that the Subcommittee is considering hearings in the fall on Chairman Hanley's bill to revise the position classification systems of the Federal Government. Only a short hearing will be held next week. Two witnesses, Mr. Hampton of the Civil Service Commission and Mr. Jones of the Bureau of the Budget, have been invited to appear on 5 and 6 August. The calendar is so filled from that date until recess that no time is available for further hearings until the fall. (See Journal item of 24 July 1969.)

STATOTHR

1. [] Talked to Miss Elizabeth Peacock, on the staff of Representative Leonor K. Sullivan (D., Mo.), concerning Representative Sullivan's inquiry of 16 July concerning "CIA checking on [] loyalty." Advised Miss Peacock that the Agency is not involved in loyalty checks on aliens. Also advised that the Department of Army would be the appropriate agency if Representative Sullivan desired to make further inquiry into the matter. Miss Peacock stated her appreciation for the assistance provided in this case and advised that no written response to Representative Sullivan's letter would be necessary.

2. [] Talked to Mr. Roy Banner, General Counsel, NSA, and brought him up-to-date on the Director's appearance before the Ervin Subcommittee on S. 782. Mr. Banner noted that he had been in contact with Mr. Bray, House Post Office and Civil Service Committee staff, during the week and that there appears to be no change in the situation in that Committee.

3. [] Received a call from Roy Banner, General Counsel, NSA, who advised that Chairman James Hanley, House Post Office and Civil Service Subcommittee on Position Classification, had forwarded a letter to General Carter advising that he is introducing legislation to bring all agencies of the Government under a single position classification system and is soliciting NSA's comments. Mr. Banner was interested in whether the Agency had received a similar letter. After checking I advised that so far no such letter had been received.

4. [] Received a call from Mr. Dan Perry, Legislative Analyst, Bureau of the Budget, concerning the Agency's report on H.R. 4665, a private bill for the relief of [] USAR, 25X1A a former Agency contract employee. (See Memorandum for the Record.)

25X1 5. [] Accompanied the Director, Colonel White, and Mr. Houston to an appearance before Senator Ervin's Subcommittee on Constitutional Rights re S. 782.

25X1 6. [] Joined Messrs. [] (DIA) and Robert Wiser (DOD/OSD/DDR&E) in briefing Senator John Sherman Cooper on Soviet Y-class submarine production in response to his queries to the Director and Secretary of Defense. See Memo for the Record. 25X1A

25X1 7. [] I talked to Senator Roman Hruska (R., Nebr.) after he left Senator Ervin's Subcommittee on Constitutional Rights. He characterized the situation as a toughy. It was his observation that Senator Ervin has his ideas and he is firm in them. He noted that Senator Ervin is highly reputed in the Senate and that he will be given credit when the bill goes back to the floor for having looked into the matter very thoroughly. Senator Hruska does not believe that Senator Ervin will change his position and does not believe that there is any real possibility of amendment on the floor of the Senate. On the merits he noted that the provisions of this bill pose a real problem and, as in the Namath case, he personally is in agreement that the employer should be the judge of the employee's conduct. In parting he suggested if we had any further ideas to come by to see him. I thanked the Senator for his consideration.

25X1 8. [] Met with Mr. B. B. Bray, Associate Staff Director, House Post Office and Civil Service Committee, and advised him that the Director had appeared before Senator Ervin's Subcommittee on Constitutional Rights this morning. Mr. Bray advised that Representative David Henderson's (D., N.C.) bill is available on the back burner whenever he decides to put it in the hopper. Mr. Bray does not have a copy but once again advised that should it be needed it will provide adequately for the Agency's needs. He gave the impression that he feels it is good that the Agency is continuing to note its opposition to S. 782 in the Senate and that this might well be helpful if the matter does come to issue again in the House. Mr. Bray also advised that the Manpower and Civil Service Subcommittee had unanimously reported the court leave bill in executive session this morning and that in all probability it will be going before the full Committee on Thursday.
